The Deuteronomy Revisionists doctored the original Old Testament stories in 700 BC to make it appear that the Jews were monotheistic (worship of one god). We are not supposed to know that the Roman Bibles have also been corrupted to fall in line with Jewish and pagan god worship. We have been lied to across the board by our Churches about who Our Heavenly REALLY Father is.

Our question today is who were these alien Elohim gods in the Bible?

<u>THE KHAZARIANS WORSHIPPED ALIENS</u>

GOG AND MAGOG WAS THE LAND OF THE TURKISH RACE THAT BRED WITH THE JEWS AND OTHER RACES IN KHAZARIA (SOUTHERN RUSSIA). THEY BECAME THE KHAZARIANS AKA FAKE JEWS WHO ARE ATTEMPTING TO RULE THE WORLD TODAY UNDER THE ZIONIST MOVEMENT. THEY MIGRATED INTO GERMANY WHERE THEY CREATEED THE COMMUNIST NAZI PARTY. THEY HAVE BEEN TAKING DOWN AMERICA AS THE RICH AND POWERFUL THAT ARE IN CONTROL OF ALMOST ALL AGENCIES OF THE FEDERAL GOVEERNMENT TODAY AND THAT INCLUDES THE MEDICAL SYSTEM AND BIG

PHARMA, INDUSTRIES AND CORPORATIONS ETC, TRUMP IS ABOUT TO CLEAN THEM OUT OF WASHINGTON.

Modern-day Khazars in Israel falsely claim right to the land.

One of their ALIEN gods was El Shaddi an alien who ruled the mountainous region of the Steppes. He was not Almighty God he was a war god assigned to that portion of the world. Those of us who DO OUR HOMEWORK know what it going on regarding the gods of the Jews and It looks like Martin Luther learned a few things as he translated the Roman Bibles into German. Going back to the ORIGINAL JEWISH text, which

you have to do to learn who the Jews really worshipped, will open your eyes. as to who these gods were.

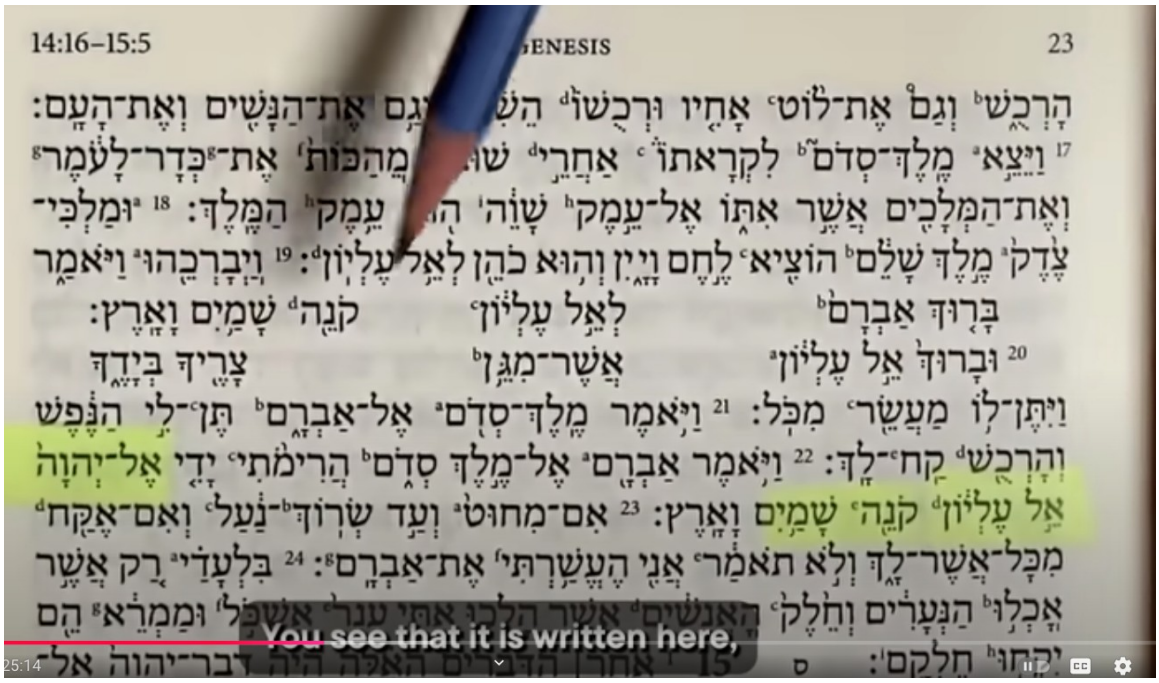
“*I have undertaken to translate the Bible into German. This was good for me; otherwise I might have died in the mistaken notion that I was a learned fellow.*” – Martin Luther



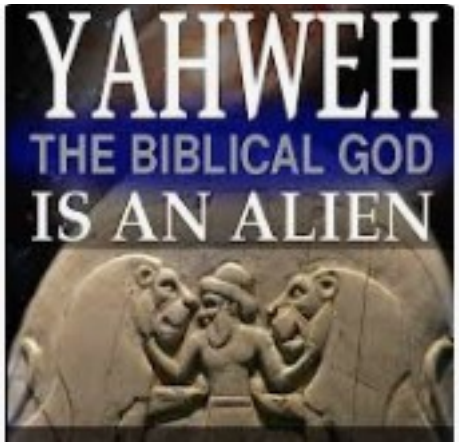
The Name Yahweh was not in the original texts

Notes

What is the real meaning of ‘El Shaddai’?

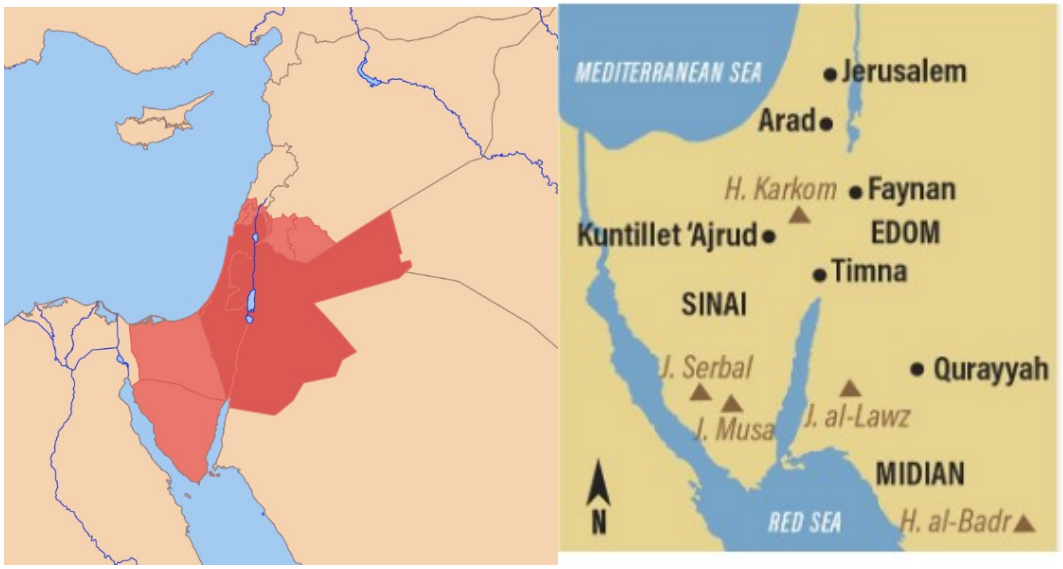
El Shaddai was referred to as a mighty Fallen Angel, a Nordic Elohim god, which is is far from describing him as the “Almighty.”

John Wright
(י ה ו ה) = YAH = YAHWEH is not the MOST HIGH & MOST HOLY GOD of the Bible. It's staring Christians right in the face that (י ה ו ה) = YAH = YAHWEH is the moon god of the Jews not GOD the FATHER & CREATOR of the GODHEAD of JESUS. (Colossians 2:9).



It was the alien god El Shaddia who the Jewish Deuteronomy Revisionists would later claim as their Yahweh Ildabaoth the Demiurge.

This is an example of how the Deuteronomy Revisionists would rewrite Jewish history about 60 BC years before Jesus came to town. It was this Nordic Alien aka FALLEN WATCHER, El Shaddai who ruled over the mountains of the Steppes after the last Geophysical Pole Shift 12.500 years ago.



Yahweh Ildabaoth the Demiurge was a desert god of the southern Levant not a mountain god. Referring to El Shaddai

as almighty was also a vicious manipulation of scripture by the Jewish Deuteronomy Revisionists also.

The Churches of today pay little attention to who these gods were in the Old and New Testament. They refer to all of them as though they were the same God to fall inline with the LIE being told by the Jews. Go to Genesis 17:1.

1When Abram was ninety-nine years old, the Lord appeared to him and said, "I am God Almighty ; walk before me faithfully and be blameless. 2Then I will make my covenant between me and you and will greatly increase your numbers."

"When Abram was ninety-nine years old, this Nordic Alien aka FALLEN WATCHER lord appeared to him in Canaan and said: "I am God the "Almighty" (declaring himself to be the lead alien god of that region) Walk in my presence and be blameless. These alien gods were assigned different regions of the Middle and Far East. Yahweh was the god of the Indians living in the desert plains and of the Canaanites. **Genesis 17:1**

ABRAHAM'S ALIEN GOD WAS NOT A REFERENCE TO OUR HEAVENLY FATHER WHO JESUS WOULD LATER COME TO EARTH TO PROMIOTE. The alien god that Abraham swore to was El Shaddai.

When Jesus came to town 600 years later into this alien infested region, he taught his followers about

the REAL GOD saying "I came to teach the new wine. Do not put my new wine into your old wine skins."

This happened to Abraham when he was a foreigner living in Canaan. Be mindful though that the **current translators are very well aware of how these texts were corrupted,** the issue is settled and everyone agrees that these alien gods were not Our Heavenly Father who is also referred to as almighty in the New Testament.

"*The common translation 'almighty' is inaccurate. The meaning is uncertain; It has been proposed 'god of the mountain', according to the Akkadian shadû; it would be preferable to interpret who he is as the 'god of the steppe', according to the Hebrew sadeh and another meaning of the Akkadian word*"

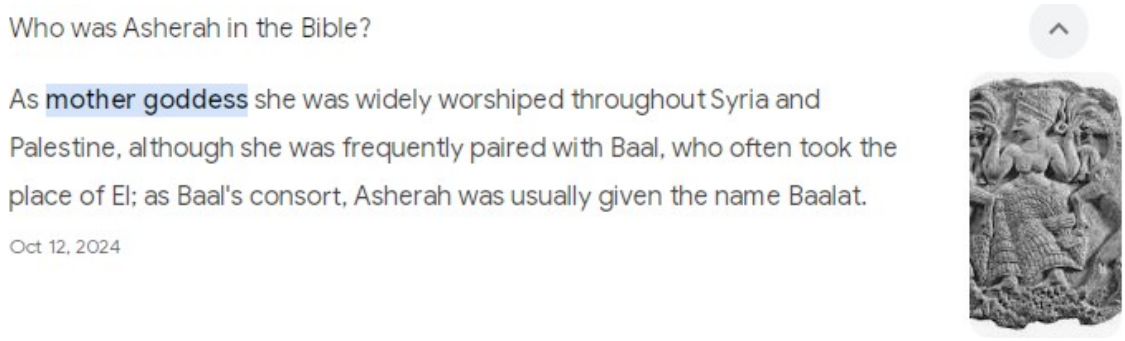
The most correct translation of ("El Shaddài" (אל שדי)) would be "**GOD OF THE MOUNTAIN**" OR "**GOD OF THE STEPPES**".

Knowing that the blending of the gods into **one god** has happened this makes the monotheistic doctrine of the Jewish Old Testament and New Testament corrupt as well. This also makes the church tremble. If naive Christian believers would DO THEIR HOMEWORK, they would realize that the Jews and their scribes have lied to us all. Today Christians are falsely assuming that this god of Abraham was Our Heavenly Father who Jesus would later come to promote and to set the record straight.

LEARNING THIS TRUTH is what the Jewish and Roman Orthodox Catholic and Christian Church leaders **ARE VERY WORRIED ABOUT.**

THESE ALIEN GODS IN THE OLD TESTAMENT AND NEW TESTAMENT WERE KNOWN AS THE ELOHIM GODS AKA NORDIC ALIEN ELOHIM FALLEN WATCHERS

The term "Elohim" is a plural word that refer to multiple deities, including **gods, angels, kings, judges, and the Messiah**. In the Old Testament, this wording is **used to refer to the one of their many gods .**



Who was Asherah in the Bible?
As mother goddess she was widely worshiped throughout Syria and Palestine, although she was frequently paired with Baal, who often took the place of El; as Baal's consort, Asherah was usually given the name Baalat.

The evil Canaanites, who lived in the land of Canaan, which is now Jordan, Israel, Palestine, Lebanon, and Syria, had a polytheistic religion influenced by Jewish, Mesopotamian and Egyptian religious practices. The alien god El led the Canaanite pantheon of gods. Yahweh was one of the LESSER GODS. El was the supreme god, who had a wife named Asherah. Other significant deities included:

- **Yam**: A son of El, similar to the Greco-Roman god Poseidon

Meaning of El Shaddai – What Do Scholars Say?

With a touch of color the Abarim Publications explain:

"Etymology of the name Shaddai: The meaning of Shaddai is difficult to establish. The authors of the Septuagint and the Vulgate translated it with Almighty (pantokrator and omnipotence) but that's more out of enthusiasm than out of sound etymology. It really doesn't mean that."

"The name Shaddai, means " ***My Destroyer, My Protective Spirit, My Rainmaker****. He is Self-Sufficient, Who Is Abundantly."*

II Kings 17

The Israelites worshipped other powerful ones (elohim.) They spoke slightingly of YHWH their powerful one and they built themselves high places [temples] wherever they lived from every watchtower to every fortified town. They set up pillars and sacred poles [honouring Asherah] on every high hill and under every green tree. They sacrificed on all the high places.They were following the pattern of their ancestors. They rejected the commmands of YHWH their powerful one. They despised his laws and the covenant he had made with their ancestors, making sacred poles and commemorating the whole SEBA HASSAMAYIM.

Underground Bases, tunnels and openings in America

"Those of the latter camp suggest that Shaddai comes from sadu, a word meaning mountain in the Babylonian (Akkadian) language that Abram spoke, and so El Shaddai would be El Of The Mountain." God of the mountain makes much more sense to us. In fact, many of the ancient chronicles that tell us about the ancient "gods", namely the ancient astronauts, tell that they preferred to live high up in the mountains, where it appears they can enter into their underground bases that are built in and under these mountains. Some reportedly have retractable openings in them.

Then we have the Greek chronicles that speak of Mount Olympus, the official residence of the alien Greek "gods" who lived there.

Deuteronomy and Revisionist History

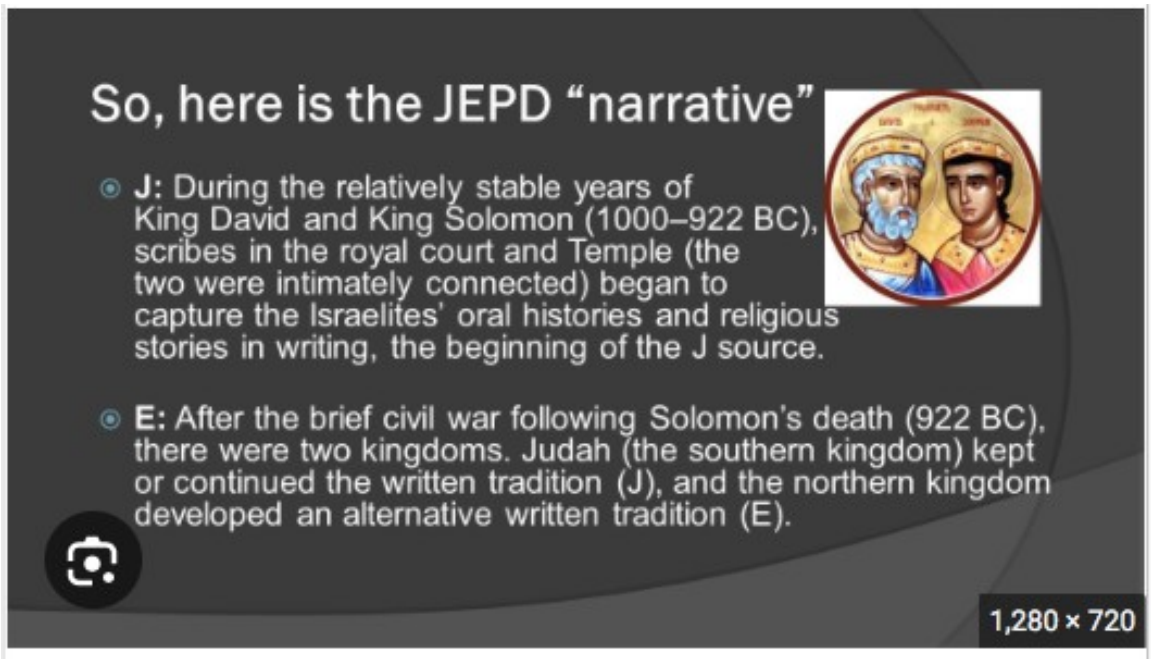
Posted on February 18, 2011 by Andrew Battista

During the early part of this coming week, we'll complete our reading of the Torah with Deuteronomy. At first, it might seem odd that the book of Deuteronomy repeats many of the laws already mentioned in other places during the Torah. This particularly creates a problem when certain laws, which allegedly come from God, differ slightly in wording. As biblical scholars have asserted, Deuteronomy is something like a "pious forgery," an act of historical revisionism *par excellance*. That is, the re-telling of the narrative and laws holds a specific political and social function for the people reading this text.



So, here is the JEPD "narrative"
J: During the relatively stable years of King David and King Solomon (1000–922 BC), scribes in the royal court and Temple (the two were intimately connected) began to capture the Israelites' oral histories and religious stories in writing, the beginning of the J source.
E: After the brief civil war following Solomon's death (922 BC), there were two kingdoms. Judah (the southern kingdom) kept or continued the written tradition (J), and the northern kingdom developed an alternative written tradition (E).

Sets ancestral stories in the North / Israel

Unfavorable attitude to Samaritans' claim of pre-eminence in Israel

The Old Testament narrates a series of events linked to the relationship between a family of Israelites which is Jacob's family and a "god" that belongs to a group of the Elohim not Yahweh Ildabaoth the Demiurge, that is to say, the Elohim were the ancient Nordic FALLEN WATCHERS who were alien astronauts. El Shaddais name was later changed to Yahweh (יַהְוֶה) by the corrupt Deuteronomy Revisionists.

Prior to biblical edits, redactions and revisions an earlier original rendition of Deuteronomy 33.2-3 reads:
"YHWH came from Sinai and shone forth...
He showed himself from Mount Paran.
Yes he came among the myriads of Qudhsu,

The original Deuteronomy 33.2-3 references Asherah twice
(1) with her own name and
(2) as Qudshu, meaning Holiness.

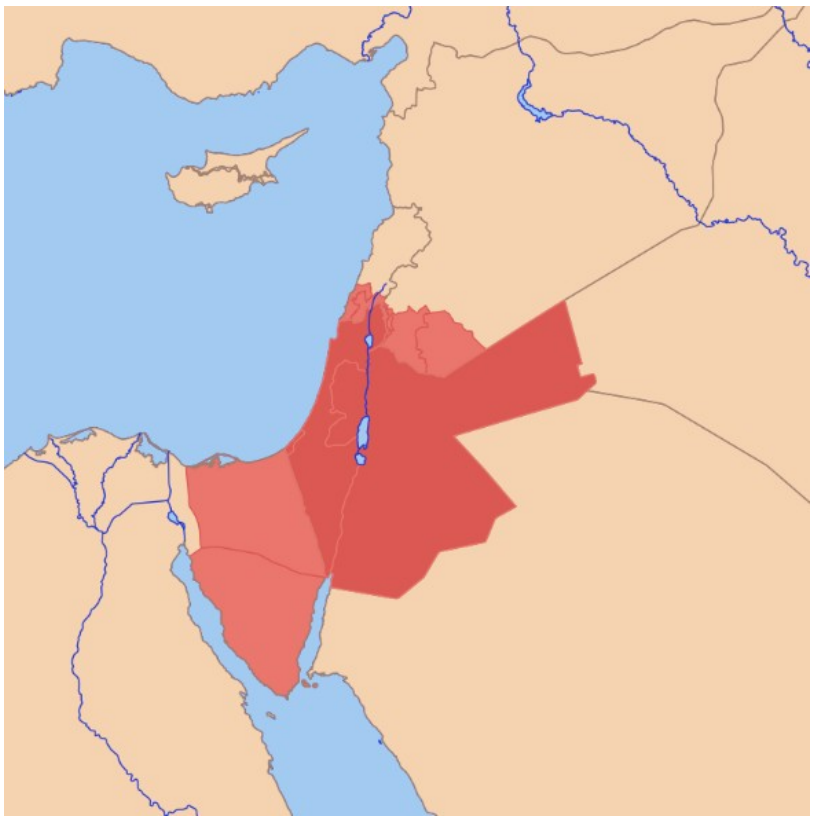
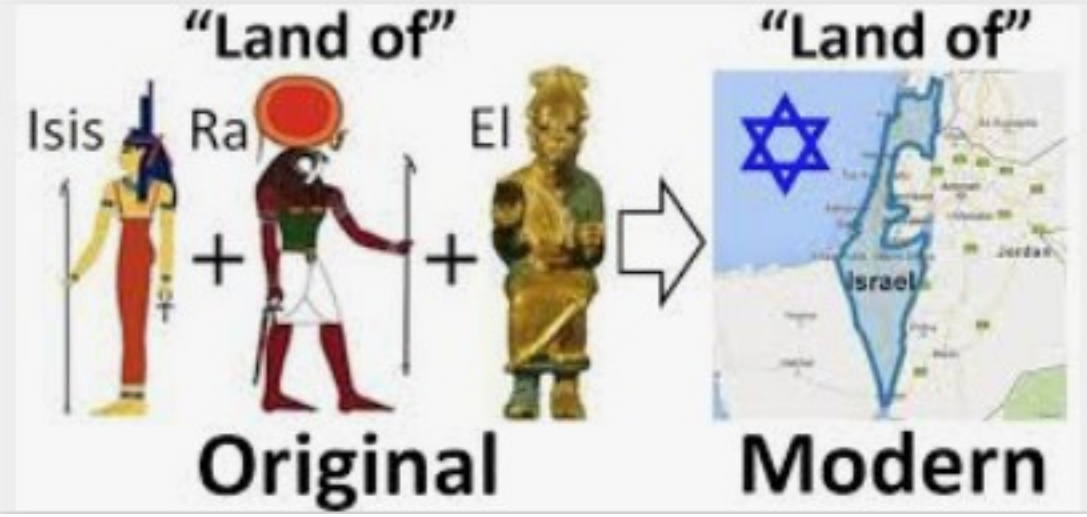
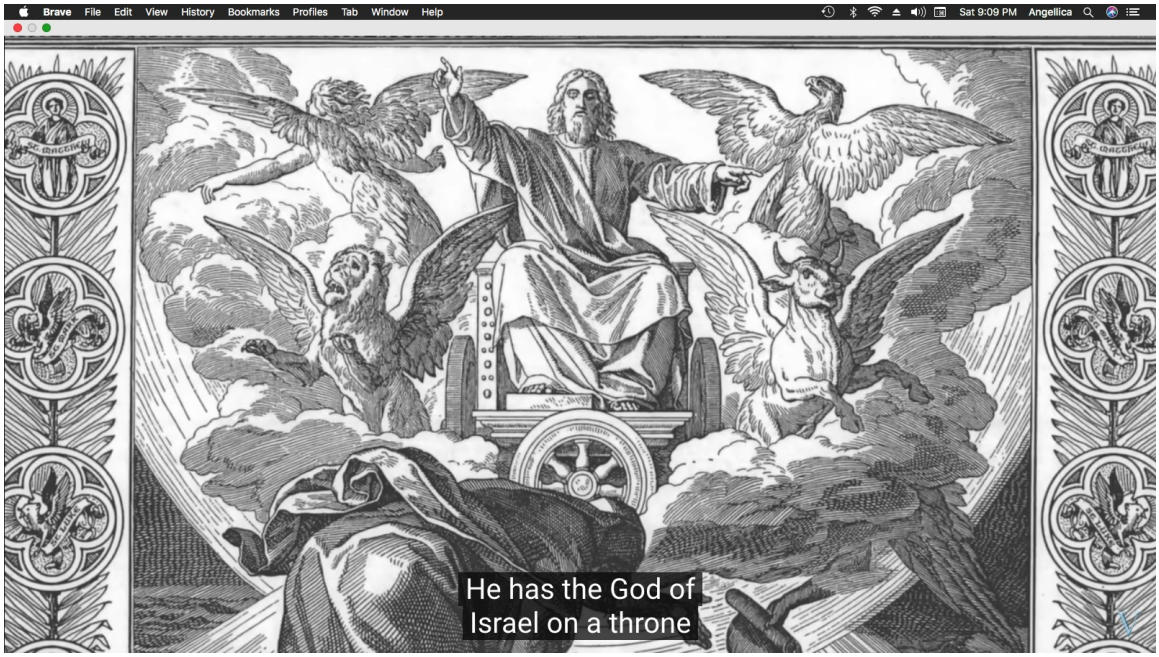
Yahweh Ildabaoth the Demiurge was FALSLY ASSOCIATED with El Shaddai



Yahweh's territory were the Desert region of Southern Levant





Nordic Fallen Watcher aka god El Shaddai

The Bible is quite explicit about the geographical roots of Yahweh, repeatedly linking his presence to the wilderness and the deserts of the southern Levant. Judges 5:4 says that Yahweh “went forth from Seir” and “marched out of the field of Edom.” Habbakuk 3:3 tells that “Yahweh" came from Teman,” specifically from Mount Paran.

Support for the theory that Yahweh was ruling the deserts of Israel and Arabia can be found in Egyptian texts from the

late second millennium, which list different tribes of nomads collectively called “Shasu” that populated this vast desert region. (reading suggestion on haaretz.com which speaks of how the Jews promoted their alien god and made him great.

If, as it seems to be the case, Yahweh ruled those territories and was responsible for the control over that patch of land that ranges from the Sinai and Negev to northern Arabia, then he could not have been the alien god El Shadddai. The Deuteronomy Revisionists lied to all of us.

El Shaddai was ruling the mountains of the Stepps which was why he rightly presented himself as the **“Lord of the Stepps” or “Lord of the mountain” when Abraham and his followers were in his territory.**

HOW DID THE CHURCH TRICK THE WORLD INTO PROMOTING AND WORSHIPPING ALIENS

So what happened? Why was “El Shaddai” translated as the “Almighty” god and why WAS this translation kept over the centuries? It appears that from a certain point onward (presumably after the Babylonian Captivity of the ORIGINAL INDIGENOIUS SCANDILNAVIAN TRIBES in Northern Israel, the plan was to forcibly identify Yahweh and the alien Elohim gods with Our Heavenly Father who Jesus came into the world to introduce. The translations of the biblical codices began to change as they fell in line with the PLAN.

The Bible was essentially modified so as to pass from a polytheistic story to a monotheistic belief system. We were to incorporate these aliens together under ONE GOD. Interventions of this incorporation into the biblical text were thousands and they occurred over several centuries. They were aimed at altering the original meaning of the text and forcibly lie to the public about who these gods really were.

Once Yahweh was transformed into the Universal God of Omnipotence the arbitrary translations began; a translation that would also **turn Yahweh ILDABAOTH THE DEMIURGE into "the almighty god".**

Let's look at Genesis 1:1 again.

"When Abram was ninety-nine years old, the LORD appeared to him and said: "I am God the Almighty. Walk in my presence and be blameless."

In just one sentence, we have (at least) two mistakes:

1 "Lord: There was no word "Lord" in the original script. The Hebrews mainly worshipped the Alien Elohim aka the Adonai (אֲדֹנָי-Strong's #136).

Why were these scribes adding the word "Lord"? We have to remember that YAHWEH WAS AN ARTIFICIALLY created Alien god that was given the title "Lord". It sounds like these changes were being made in the 3rd century A.D. which corresponds to when the pagan Jewish and Roman Orthodox Catholic and Christian Church (JROCCC) was in the development stages,

2) Almighty: 'Shaddai " does not mean "almighty " as seen above. It is a reference to the fact that they were mighty gods.

In the Masoretic text, that is the original Hebrew text, which defines the Jewish canon today, it refers to "the Elohim as the Jewish CREATOR GODS it does not refer to Yahweh Ildabaoth the Demiurge or to ONE GOD.
